

Privacy Policy

Personal information and personal privacy are important to Aussie Mortgage Solutions Pty Limited, employees, contractors and business partners who are working together to collect and manage your personal information in the relation to service, providing to you or on your behalf.

We bound by Privacy Act 1988 and National Privacy Principals how we collect, handle, use and disclose your personal information. We also bound how you can access the personal information provided to us or collected by us for the provision of service you are authorised us to provide.

We will collect personal information from you on the face to face appointments, via telephone, emails and website when you apply to become an Aussie Mortgage Solutions Pty Limited customer or when you is doing business with us. We will share this information with our lender's panel and aggregator when we assess, process and manage your information to completing your application.

We store your information on secure location, protected by locks, internet firewall, routers and restricted only to authorised people.

For more information about Privacy Act and National Privacy Principals, please contact our Privacy Officer admin@mortgagesolutions.com.au or by telephone on +61 3 9523 9700 or 1300 305 195.
